KCJJ Radiothon raises over \$28,000 for Table to Table

Local radio station KCJJ 1630 set a fundraising record at its annual Radiothon this year, raising over \$28,000 for Table to Table, the local food rescue organization that collects food donations from area businesses and organizations and delivers them free of charge to other local nonprofits for use in their meal programs. The 31-hour Radiothon was held July 15 and 16 outside the new Iowa City Wal-Mart. While KCJJ has designated Table to Table as the beneficiary of its Radiothon event for the past 16 years, this year's donations far surpassed all previous efforts. Presenting the giant check to very grateful representatives from Table to Table were, left to right, Ginny Collins, Richard Podhajsky, Jan Soboroff, and Steve Soboroff of KCJJ, Table to Table Executive Director Bob Andrlik, Tom Suter of KCJJ, and Table to Table Board President Cindy Brooks.
